

Each week, we'll recommend our favorite brands and products. You aren't obligated to buy these particular items, but if you're looking for something tested and true, consider adding these to your stockpile or library.

[50 cc oxygen absorbers](#)

[1 gallon Mylar food storage bags](#)

Off-grid cooking method if you don't have one yet – we recommend the [Solavore solar oven](#) or a rocket stove like the [Volcano 3](#).

[Grab-n-Go Emergency Food Bucket](#)

[Bed risers](#)

[Powdered milk](#)

[The Tightwad Gazette](#)

[The Pantry Primer: A Prepper's Guide to Whole Food on a Half Price Budget](#)

Dehydrator: Used or try the [Excalibur](#) or the [Nesco American Harvest](#)
